Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ During the year ended December 31, 2018, Youngevity International, Inc. ("YGYI") declared and paid quarterly cash distributions on its outstanding Series B Cumulative Redeemable Preferred Stock in the second half of 2018. Distributions were paid the second day following each quarter end of 2018 beginning on July 2, 2018.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ See attached.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ The taxability of the distribution is based on YGYI's earnings and profits ("E&P") as computed for U.S. federal income tax purposes. YGYI's calculation of its current and accumulated E&P applicable to the 2018 distributions resulted in an E&P deficit. Because YGYI did not have any E&P available for distribution in 2018, no amount is treated as a dividend and the entire distribution per share is treated as a non-dividend distribution and taken into account under the rules described in Part II, Line 15.

Form 8937

July through December 2018

Part II Line 15

As applied, each of the distributions is treated as a non-dividend distribution when received or constructively received. A non-dividend distribution is a nontaxable return of capital to the extent of the shareholder's tax basis in such share. Tax basis in such share is reduced by the amount of the nontaxable portion of the distribution. The portion of the non-dividend distributions in excess of the shareholder's basis in such share is treated as gain for U.S. federal income tax purposes. Shareholders should consult their own tax advisors to determine the income tax consequences of their specific situation.

The quarterly per share distributions paid during 2018 include:

Payment Date	Distribution Per Share	Dividend Per Share	Non-Dividend Per Share
July 2, 2018	\$0.120000	\$0.00	\$0.120000
October 2, 2018	\$0.120000	\$0.00	\$0.120000
